

2011 AWARDS BANQUET PROGRAM BOOKLET

Again this year Steve Winiarz will create the NETRA's program booklet. For a small additional fee, Steve will design an ad for you to recognize your loved ones accomplishments.

Parents & Spouses – consider taking out a congratulatory advertisement to be placed in the year end banquet awards booklet. This is a full color, glossy booklet.

Dealers & Vendors - What a great way for you to promote your business or your product line. Or you could acknowledge the great efforts of your sponsored rider during the 2011 race season.

Use your imagination and create a special, memorable ad. Add action photos and well wishes for the 2012 race season.

Deadline date is January 14, 2012. For complete information go to the following:
